

## **SUMMARY**

### **REQUEST FOR PROPOSAL (RFP) NO. 14-165**

#### **SUPERVISORY CONTROL AND DATA ACQUISITION (SCADA) INFRASTRUCTURE SUPPORT**

Frederick County, Maryland (hereinafter called the "County") is seeking proposals from qualified firms (hereinafter called the "Contractor") for the provision of comprehensive Contractor support for its existing Supervisory Control and Data Acquisition (SCADA) infrastructure, 24 hours-a-day, 7 days-a-week, on-call and on-site on a periodic and as-needed basis for Frederick County, Maryland in accordance with the terms, conditions, and specifications of this RFP.

Within this context are three (3) types or categories of need: maintenance of the existing systems referred to as "Maintenance" services, emergency "On-Call" services, and potential enhancement or additions to existing systems that are referred to as "Enhancement" services.

The contract period shall be for one (1) year commencing after approval and proper execution of the contract documents, with a renewal option for two (2) additional years in one-year increments, exercisable at the sole discretion of the County.

**A mandatory Pre-Proposal Conference will be held in the Division of Utilities & Solid Waste Management Conference Room located at 4520 Metropolitan Court, Frederick, Maryland 21704 on June 25, 2014 at 1:00 P.M. to discuss objectives and answer questions relating to this solicitation. Contractors that do not attend the Conference shall not be eligible for award of a contract.**
